Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on October 13th, 2005 has been entered.

Allowable Subject Matter

2. Claims 100-104, 107 108, and 111-133 are allowed.
3. The following is an examiner's statement of reasons for allowance
- a. Applicant discloses a system to provide a flexible barter system which allows ownership acquisition deferral and the matching of multi-order barter transactions. Applicant's system is novel and innovative in the sense that it provide means for communicating to the user value indicator based upon a value ratio determined by a combination of the ratios or a/b and x/y where a = the sale value of the first security to be sold, b = a market price of the first security to be sold, x = the value of the second security to be acquired and y = a market price of the second security to be acquired. Minton (US. PG Pub No. 2002/0091611), the closest prior art teach an invention to provide a data processing system, and a network of data processing systems for allowing

individuals to buy and sell securities directly from other individuals, with only minimal oversight by a broker.. However, Minton fail to teach means communicating to the user value indicator based upon a value ratio determined by a combination of the ratios or a/b and x/y where a = the sale value of the first security to be sold, b = a market price of the first security to be sold, x = the value of the second security to be acquired and y = a market price of the second security to be acquired.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

b. Bradford et al (*US 20020004759*) teach an electronic bartering systems and methods are described wherein an item offered on the system may have a listing price (\$P) specified in the national currency and a minimum amount of national currency desired by the seller (\$X) specified in the national currency. In some embodiments, the system has a maximum barter to cash ratio (%C) such that the item is classified for reward if $\$X/\$P > \%C$.
